**Datasection CEO Participates in Breakfast Meeting Hosted
by Spanish Minister of Economy, Trade and Enterprise**

Tokyo, September 12, 2025 – Datasection Inc. today announced that its Chief Executive Officer, Norihiko Ishihara, participated in a breakfast meeting hosted by Spain's Minister of Economy, Trade and Enterprise, Carlos Cuerdo, held on September 11, 2025, in Tokyo.

The meeting was attended by Carlos Cuerdo, Minister of Economy, Trade and Enterprise of Spain, representatives from Spanish government bodies, and representatives of 11 Japanese companies.

The participants reviewed the current status of bilateral economic cooperation and exchanged views on future expansion, including strengthening collaboration in the field of economic security such as supply chain resilience. As a result, Japan and Spain reaffirmed their commitment to further deepen their economic relationship through continued cooperation. In addition, a bilateral meeting between Minister Mutō and Minister Cuerdo was held alongside the session, confirming that both countries will continue to maintain close cooperation.

Key Participants

Spain

- Carlos Cuerdo, Minister of Economy, Trade and Enterprise
- Inigo de Palacio Espana, Ambassador, Embassy of Spain in Japan
- Gonzalo Ramos, Economic and Commercial Counsellor, Embassy of Spain in Japan
- Angela Perez, Chairperson & CEO, COFIDEDES
- Elisa Carbonell, CEO, ICEX Trade and Investment
- Maria Mateo, Ministry of Economy, Trade and Enterprise

Japanese Companies

- Representatives from 11 Japanese companies
