PRESS RELEASE

Datasection Inc.

Datasection CEO Norihiko Ishihara to Speak at the 2026 Concordia Annual Summit

Datasection Inc. (Head Office: Shinagawa-ku, Tokyo; President, Representative Director, Executive Officer and CEO: Norihiko Ishihara; TSE Growth Market: 3905; hereinafter the “Company”) is pleased to announce that Norihiko Ishihara, President, Representative Director, Executive Officer and CEO of the Company, will speak at the 2026 Concordia Annual Summit, to be held in New York, United States, from 20 to 23 September 2026.

The Concordia Annual Summit is an international conference held in New York alongside the United Nations General Assembly, bringing together leaders from governments, **companies**, non-profit organisations and other sectors from around the world.

Mr Ishihara will participate in a session entitled “The AI Infrastructure Race”. The session is expected to address global competition surrounding the AI infrastructure that underpins the development of artificial intelligence, including data centres, power supply and semiconductors, as well as investment and partnerships aimed at building such infrastructure.

Ambassador Paula J. Dobriansky, Ph.D., a member of the Company's Advisory Council, is also scheduled to participate in the event in her capacity as Vice Chair of the Atlantic Council's Scowcroft Center for Strategy and Security.
