5 November 2026

Datasection Inc.

[Online Session]
Notice Regarding the Second Briefing on the Operational Status of AI Data Centres and Other Matters

Datasection Inc. hereby announces that it will hold its second online briefing regarding the operational status of its AI data centres and other matters, as outlined below. The session will be broadcast live from the AI data centre.

Under the contract disclosed in the press release dated 18 September 2026, “Notice Regarding the Conclusion of a Major Contract,” the Datasection Group began providing AI infrastructure and GPU compute services on 23 October 2026 and has since been expanding the capacity provided in stages. The customer’s deposit under the contract has also been received in full, and the Group is working toward full operation at the earliest possible date.

The session be streamed live on-site, and a recorded version will be made available for on-demand viewing at a later date.
All stakeholders are cordially invited to attend.

Details of the Briefing:

- Date and Time: Tuesday, 10 November 2026, 15:00 – 15:30 JST
- Format: Online (Live streaming)
- Audience: Institutional investors, individual investors, analysts, financial institutions, members of the media, and other interested stakeholders
- Access (Zoom): The session may be accessed via the following Zoom link:
  https://us06web.zoom.us/j/86436336914
  Participants are kindly requested to use the latest version of the Zoom application.
  A recorded archive of the session will be made available on the Company’s website following the event.
